AT THE GOVERNMENT HOUSE AT OTTAWA.  
Thursday, the 25th day of July, 1895.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

**ON A REPORT**, dated 13th July, 1895, from the Minister of the Interior, stating that the regulations promulgated by the Government of the Province of British Columbia, for the leasing of timber lands outside of the railway belt, prescribe the dues to be paid for the timber at the rate of fifty cents per thousand feet on all logs cut, and provide for a rebate of twenty-five cents per thousand feet on all manufactured lumber shipped from the Province.

The Minister further states that representations have been made by persons who have acquired timber berths within the railway belt in the said Province from the Government of Canada, that they are unable to pay the royalty prescribed by the regulations under which they hold their licenses, namely, five per cent. upon the sales, which amounts to about fifty cents per thousand feet, and compete with licensees of timber berths situated outside of the belt. They ask that they be placed upon as good a footing as the Provincial Government licensees, and be permitted to pay dues at the rate of fifty cents per thousand feet on logs cut on their berths, and to be entitled to a rebate of forty cents per thousand feet on manufactured lumber exported from the Province.

The Minister is of the opinion that the public interest would not suffer if the request referred to in the preceding paragraph were granted, with the proviso that no rebate shall be given upon lumber shipped to Manitoba and the North-west Territories, and he recommends accordingly.

The Committee submit the foregoing recommendation for Your Excellency's approval.
